

LiteBox® Rechargeable Lantern

Specific lighting needs require specific tools. With the right lighting tool, you can identify potential or existing problems before they interrupt your ability to get the job done. In addition the costs savings of using the right tool over time will benefit your bottom line.

There is a real need to cut costs wherever possible, yet we cannot afford to forget about environmental issues. Streamlight rechargeable lighting tools make good economic environmental sense. Over time they cost significantly less to operate; and they reduce the amount of batteries used, thereby relieving the problem of battery disposal. With Streamlight rechargeable flashlights, your plant will not only save on the cost of batteries, you'll save the time that's wasted when you discover your light isn't working and the steps involved in getting and replacing batteries. More powerful and more economical, Streamlight rechargeable lighting tools pack a lot of power, are very dependable and cost-efficient.

The rugged, dependable LiteBox was the first lantern with a swivel neck for full right angle lighting. It runs up to 9 hours and is now brighter than ever with an innovative new bulb configuration. The high-intensity halogen bi-pin bulb, available in spot or flood, provides a beam of up to 105,000 candela peak beam intensity. An optional xenon Dual Filament system is available, providing the security of a backup safety beam.

Case Material: High-impact ABS thermoplastic housing. Rubberized impact bumper, lens ring and cushioned-grip handle.

Dimensions/Weight: Length: 11.5 in. (29.2 cm) Width: 5.1 in. (13 cm) Height: 7 in. (17.8 cm) / 7.4 lbs (3.36 kg)*

Light Source: High-intensity halogen bi-pin bulb available in 8 watt and 20 watt spot and flood PAR 36 assembly.

Light Output: Candela (Peak Beam Intensity) Bulb Lumens

<i>Bi-pin bulb:</i>		
8 watt flood	1,500	150
20 watt flood	3,000	400
8 watt spot	80,000	150
20 watt spot	105,000	400
<i>Dual Filament:</i>		
8 watt spot	70,000 each	157

Battery/Run Time: Zero-maintenance 6V, 12Ah sealed lead acid operates up to nine hours per charge and is rechargeable up to 500 times. Red & green LEDs give charge status feedback.

Models: Standard System - International safety orange or high-visibility yellow; includes shoulder strap; comes with AC and DC chargers and charge rack; ideal for field maintenance, inspection of construction sites, and remote equipment.

Vehicle Mount System - International safety orange or high-visibility yellow; comes with vehicle-mountable hard-wire rack and shoulder carrying strap.

Power Failure System - International safety orange or beige; includes AC/DC chargers and "smart" power failure circuitry that automatically goes on when the power goes off.

Dual Filament System - International safety orange or high visibility yellow; features backup 8 watt safety spot; includes shoulder strap.

Approvals**: Most models meet applicable European Community Directives. Rack meets requirements of NFPA 1901-12-1.7 mounted in any position.

Warranty: Streamlight warrants this product to be free of defect for a lifetime of use. We will repair, replace or refund the purchase price, at our option, of any Streamlight product that does not work or that you manage to break as long as you own it. Of course, this limited lifetime warranty excludes abuse, batteries, bulbs and chargers. Rechargeable batteries and chargers have a one (1) year warranty with proof of purchase.

*With battery (included in purchase).
Assembled in USA
